Before the Goverment of His Higness the Maharaja of Mysore, Bangalore.

Revenue Mis.Application No:

Petitioner:-

Kuppanahally Ramanna and other municipal councillors and citizens of Sidlaghatta Town, Kolar District most humb-ly request:-

That this Sidlaghatta town has been declared as a --- major municipality by the Government from the beginning -- and one member from the municipality was every year elected to the Representative Assembly.

The Goverment seem to think the population too low --- for such election and have not been pleased to eledt one -- from this municipality.

That the following represent the figures for the different census as far as the population of this town goes.

1871	----------	7009
1881	----------	5804
1891	----------	6572
1901	----------	7636
1911	----------	6512
1921	----------	3697

When the census for 1921 were in operation, many ---- people had left this town owing to plague and nearly half the population was put up in the neighbouring villages and as such the figures for 1921 were given out as 3697.

That from a perusal of the above figures it will be -- very clear to the noble Government that the figures would not have come down from 6512 in 1911 to 3697 in 1921 in a jump.

That since there is no time for election the citizans and municipal councillors humbly request the benign Govern -ment to kindly nominate Mr.C.Khadrappa as a member to the Representative Assembly which is to meet in April next.

Mr. C.Khadrappa is the Taluk Board Vice President as a also a municipal councillor. He was formerly the Vice Pre- sident of this municipality for over three years and has e endeared himself to the towns people by improving the muni -cipalkxy affairs and by his honest and sincere work.

That the above act would be one of pure justice and -- right on the part of Government is the humble prayer of the petitioners. 14-3-24

Order thereon -

No. 11136-7

Name 7/9/24

The ~~town~~ of Siddlaghatta does not at present find a place in the list of urban areas published in annexure II to notfn no. P. 2394-deg. 12-23-1 dated the 7th Nov 1923 as being entitled to representation in the R.A. Since, though it is a town municipality,

it does not possess a population according to the census of 1921 of atleast 5000 which is one of the conditions precedent to the grant of the privilege of representation in the R.A. It is represented, however, in the petition read above, that at the time the census was taken, a large number of people permanently living in Siddlaghatta had temporarily left the place on account of the prevalence of plague and that consequently the Census figures do not give a correct idea of the normal population of the place. On an inquiry made by the Govt on this representation, the Dept. Comr. of the Kolar Dt., reports that the present population of Siddlaghatta is 5535 according to the Khane-Shumari accounts. As

Govt p. 24 para 1.

Siddlaghatta is a town Municipality and its population is over ₹ 5000, Govt are pleased to direct that it shall be given the privilege of returning a Member to the R.A. This will raise the number of urban areas representation in the R.A. to 32, the no. of urban representatives to 38 and the total strength of the Assembly to 253.

Immediate action should be taken for the election of the Member representing Siddlaghatta,
